Give

up to £50 for your friend

Our Referral Program is offering you the opportunity to refer friends, family and clients via a referral program and earn up to £50 for each successful referee's first package purchase. By participating in the Referral Program, you agree to be bound by 4Ever Care UK's Terms of Services.

Warning: If you violate our T&C, your referral benefits will be cancelled.

Once you've initiated the referral, the referred person will need to complete these steps before you are eligible for the reward:

- Quote **REFER25** prior to starting their care package and share the referees details.

- Purchase a care package eligible for our Referral Program. The eligible services are any care package agreed for 6 months+, provided it is active for 45 days, and no refunds are requested.

Note: The Referral Program is for referring new customers only. If the person you are referring already has a care package plan with us, the referral will not be eligible for the reward.

You will be emailed once the referral code has been activated, and updated when you are entitled to the reward.

Reward payout rules:

The reward will be transferred via Bank Transfer. The relevant person(s) will be contacted for details and the reward will be sent right across (up to £50). The payout time of the reward can take up to 12 weeks.

4Ever Care UK reserves the right to withdraw/cancel/amend any of our promotions/offers for any or no reason at any time without prior notification.
